majority."

**FIRST LINCOLN HIGHWAY
SIGN IS POSTED IN RENO**

The first Lincoln Highway sign
posted in Reno was painted yester-
day on the north wall of the Washoe
county bank adjacent to the south-
west corner of Virginia and Second
streets. C. T. Bender of the bank,
who is an enthusiast for the high-
way, caused the sign to be painted to
mark the route over which thousands
of automobiles will travel in 1915.
